

CLINICAL PSYCHOLOGIST

Join our expanding beauty & wellness hub in Carlton!

ABOUT US

Established in 2010, Clinica Lase is a leading skin and laser clinic offering an array of state of the art, advanced technology across the health and beauty sector. We utilise our years of experience, latest medical-grade equipment and extensive cosmeceutical range to open our clients' minds to the many world-class treatment options available in order to improve their physical and mental wellbeing. Our focus is on helping our clients achieve their aesthetic and holistic goals in a safe and comfortable environment, in the care of our dedicated and passionate team.

Clinica Lase operates out of two locations – Carlton and Ballarat – and has recently relocated and expanded its Carlton clinic to encompass more skin, health and wellness focused treatments in a two-storey, 13 room facility.

With more growth forecast for Clinica Lase in the future, the time has never been better to join our energetic, fun and supportive team!

There is flexibility for the right person in the role to undertake either full-time or part-time work.

DUTIES & RESPONSIBILITIES

The role of the Clinical Psychologist will be broad and varied but will include;

- Assessing and diagnosing an individual's needs, abilities or behaviour using a variety of methods, including psychometric tests, interviews and direct observation of behaviour.
- Facilitating appropriate interventions and programs of treatment to aid recovery for a wide range of patients experiencing different mental health symptoms and concerns.
- Building a strong relationship and mode of communication with each client.

SKILLS & EXPERTISE

- Minimum 1 years' experience in a mental health setting within Australia
- Current and full registration with the Australian Health Practitioners Registration Agency (AHPRA) and Psychology Board of Australia.
- Excellent interpersonal skills and ability to work both independently and as part of a team.
- Excellent customer service skills with a strong focus on patient care.
- Promote safety, security and personal integrity in the work place.
- Excellent written and verbal communication skills.
- Excellent time management skills.
